

True Knowledge Of Him

**Bible Study On God's
Character**

GOD IS THE ONE WHO...

pushed the start button on life. He is the beginning and the end of all things in existence, both seen and unseen.

BUT...

what about when we need things? What about when all hell is breaking loose in our personal lives? Is God still there?

SOMETIMES...

our perspectives of God and our circumstances can diminish the truth of His character and we need to learn who our Father is no matter what happens in life.

THIS BIBLE STUDY...

will help you to get to know God's character for yourself. As you learn about Him being Creator God, you'll also discover that He is Abba-your Source, Sustainer, and everything in between.

P.S.

The start button couldn't have been pushed unless He guaranteed a way for you to win in all circumstances. You were the reason why He created the seen world. His desire is for you to get to know Him as much as you can on this side of Heaven.

ARE YOU READY TO LEARN WHO GOD IS?

LET'S GEAX!

For the next thirty days, you will discover something new about your Heavenly Father. Some things may be familiar, but as you take a deeper look with His assistance, you'll develop new insight of His character and love towards you.

Instruction:

Write out each scripture, make note of what stands out, and explain why it stands out to you. As you read each verse, keep this question in mind: What does this verse tell me about God and who He is to me? Then pray using the scripture and for whatever else God puts on your heart.

*Be sure to read the context around each verse- before and after the text.

Here's An Example:

Genesis 1:1-2-In the beginning, God created the heavens and the earth. The earth was without form and void and darkness was over the face of the deep. And the Spirit of God was hovering over the face of the waters.

What Stands Out?

- "Heavens and the earth"-There are multiple heavens and one earth?
- I noticed that the focus is also on earth. Is that because earth is my temporary home?

Prayer:

Dear God,
You are Elohim, the Creator God. Thank you for not only creating earth and the heavens, but taking the time to create me. Forgive me for overlooking the fact that you've done this for me and allowed me to have record of it in your word. Right now, I'm asking that you open my eyes to know you more. Soften my heart and allow me to see who you truly are instead of who I and others made you to be. In Jesus name. I pray. Amen.
